

Rules and Regulations

- * Members must treat everyone with dignity, consideration and respect
- * Members must not discriminate against another person on any grounds
- * Members are responsible for keeping the Club up to date regarding any new medical conditions.
- * Any changes to contact details to be updated with the Club
- * Members are to recognise and celebrate the good performance and success of fellow members
- * The lifeguards have control of the swimming areas and have the final say on all matters of safety
- * Members must follow the guidelines set by the management of the pool
- * The Club cannot provide assistance with changing – anyone needing assistance must be accompanied by their own carer.

I have read the above Rules and Regulations and I agree to abide by them.
